

Dear Sir/ Madam,

My name is Augustina Caron. I am from Moberly Lake B.C and I am 22 years old. I am very excited to announce that I have been selected by Action Talent Vancouver to be a delegate in this years Miss Universe Canada pageant. The pageant will be taking place in Toronto this summer. I am seeking donations to help with my training and pageant fees. The pageant fees include: my travel, accommodations, meals, wardrobe, and stage beauty artist.

I feel honoured to have the opportunity to represent our area in this big event. I am driven to inspire youth on and off reserves in this journey. I would appreciate any size of donations towards the costs for my participation in this event.

Thank you for considering my request.

Augustina Caron
