2017 INDIGENOUS SCHOLARSHIP PROGRAM

For Post-Secondary and Trades Programs

ABOUT THE PROGRAM

Our Indigenous Scholarship program helps students from Indigenous communities near our major project areas pursue post-secondary education. Applicants are selected based on their demonstration of commitment to education, leadership capabilities and community involvement.

AWARDS

- Each year, scholarships of \$1,000 are awarded to students in each major project area.
- Students must re-apply each year to be considered.

ELIGIBILITY

All applicants must be:

- Canadian citizens of Indigenous ancestry
- Registered band members of an Indigenous partner community
- Enrolled in a full-time post-secondary program
 - Recognized trade/community or technical college diploma or certificate program; or
 - University program intended to lead to a bachelor or graduate degree

HOW TO APPLY

Submit an application with the following information by **August 25**:

- Completed application form
- Reference letter from a teacher, faculty member, employer or community leader
- Short essay (500 words) describing why you are a suitable candidate for the award
- Proof of enrollment for upcoming semester in post-secondary institution
- Most recent transcripts from secondary or post-secondary institution
- Photo

SELECTION

Each award recipient will be notified by **September 15** if they have been selected. Awards will be formally presented to successful applicants at a community event. A summary of the program, awards presentation photos and award recipient names will be published in local newspapers, on the ATCO website and other media.

Questions about the awards program can be directed to Indigenous.Relations@ATCOSL.com
